Milwaukee, WI- The 1200 block of 36th Street is hosting one of the biggest block parties in years and you are invited to attend! This Saturday, June 20th from 12-4:00pm neighbors will shut down the street and have a barbecue with the Brewer's mascot Bernie Brewer!

Neighbors on this block have worked together and petitioned local businesses to donate time, food, and activities for their party and there is plenty of everything to go around! Kids will stay entertained with a blow-up moon walk, face paint, and two mascots from different Milwaukee teams. Parents are looking forward to gift certificates from the Silver City Main Street businesses Mekatos Colombian Bakery, Thai Lotus, Rice Palace, and more! Come and see how these neighbors are coming together to make their neighborhood a better place.

In an effort to reward this block for their high level of involvement and enthusiasm for their neighborhood, Layton Boulevard West Neighbors, Inc gave them a grant, which it received from the Neighborhood Improvement Development Corporation, for a block improvement project. Neighbors decided that six solar powered landscape lights in the front of each home would mimic the unity between neighbors on this block and they will be installing these lights just prior to the block party. Layton Boulevard West Neighbors, Inc is a neighborhood revitalization organization that serves the Silver City, Burnham Park, and Layton Park neighborhoods.

The Layton Boulevard West Neighborhoods are a part of the Greater Milwaukee Foundation's Healthy Neighborhood Initiative. If you would like more information about Layton Boulevard West Neighbors, Inc or about the Healthy Neighborhood Initiative, please call Chelsey Berg at 383.9038x2305.
