The Truck Studio is drop-in art program designed for children in grades K5-5, although older siblings are welcome. Each visit begins with an A.W.E. artist reading aloud a story or two and then discussing the book or illustrator. Participants will then work on imaginative art activities relevant to the book or artistic theme for the day. This is a great opportunity to be creative, try new techniques and have fun expressing your artistic point of view. Everyone gets to take home their creations!
